

HARLEQUIN

USAGE INSTRUCTIONS FOR HARLEQUIN SPECIALIST DRESSING AND MAINTAINER PRODUCTS

Harlequin Vinyl Dressing

An acrylic emulsion dressing that provides a long-lasting, tough protective coating for your Harlequin vinyl floor. This product can be used on any Harlequin vinyl dance surface except Harlequin Fiesta and Harlequin Hi-Shine. **A 1 Litre bottle should provide coverage for approximately 50m².**

- On a completely clean and dry floor, apply the first coat of undiluted Harlequin Vinyl Dressing with a mop or pad ensuring a thin even coat is applied.
- Allow the first coat to dry completely, which could take at least 40 minutes depending upon the size of the room, before repeating with a second undiluted coat, working at right angles to the first coat.
- If a third undiluted coat is required, ensure the previous two coats are thoroughly dry.

Harlequin Vinyl Maintainer

An antistatic and antibacterial floor cleaner that leaves behind a protective coating to keep the floor looking good for longer periods. It increases scuff resistance and maintains the layers of Harlequin Vinyl Dressing. This product has been formulated for use on any Harlequin vinyl dance surface except Harlequin Fiesta and Harlequin Hi-Shine. **A 1 litre bottle should provide coverage for approximately 40m².**

- To be used on a Harlequin vinyl dance surface where Harlequin Vinyl Dressing has been used.
- For mopping and regular cleaning use in the ratio of 1:50; 100ml in 5 litres of water.
- Apply one coat of Harlequin Vinyl Maintainer.
- Leave to dry completely. This could take 2-3 hours but will depend on the size of the room.
- After the initial application above, you can continue to care and maintain your vinyl floor by using Harlequin Vinyl Maintainer as your regular cleaner. Use in the ratio of 1:50; 100ml in 5 litres of water.
- If a shiny finish is required, dilute in cold water and buff after application.

To remove the build-up over time of Harlequin Vinyl Dressing and Harlequin Vinyl Maintainer please use Harlequin Vinyl Heavy Duty Cleaner.

***As with all cleaning products, please make sure you read the health and safety instructions for each product on the reverse side of the bottle.**
