Freestanding Ballet Barres

Harlequin supplies a range of ballet barres; they are almost a prerequisite for any dancer. Without a comfortable and sturdy barre it is hard to do the essential warm-up and stretching exercises. Both amateurs and professionals can minimise the risk of injury by stretching properly to increase blood-flow to the muscles and improve flexibility whilst achieving an elegant stance.

Specification Guide

Height from floor to upper barre	105cm (41.3")
Barre diameter	4cm (1.6")
Total foot depth	73cm (28.7")

- The Harlequin Freestanding Ballet Barres are available in small medium and large
- They have adjustable feet for stability on an uneven floor
- They can be set-up in various configurations using extra components i.e. continuous line, L shape etc.
- Wooden freestanding ballet barres come in an unocated, natural sanded finish or aluminium
