The world dances on Harlequin floors®

# Harlequin's Home Studio Range

**NOW YOU CAN PRACTICE IN THE COMFORT OF YOUR OWN HOME AS YOU ASPIRE TO REACH YOUR DANCING DREAMS.**

Harlequin floors are the first choice for the majority of the world's leading dance companies ranging from American Ballet Theatre, Paris Opera Ballet, The Royal Ballet, Rambert, Sydney Dance Company and Riverdance.

THE WORLD DANCES ON HARLEQUIN FLOORS®

# Harlequin's Tap 'n' Turn Board and Practice Mat

Harlequin's Tap 'n' Turn Board was designed specifically for percussive dancers and therefore provides exceptional sound, is solid underfoot and is the perfect size to practise those variations at home.

It is a 915mm x 800mm x 18mm exterior grade birch plywood board, topped on one side with Harlequin's slip-resistant Reversible dance vinyl. It has been used by the likes of Burn The Floor to give a choice of surfaces to practice on. It can be used to protect existing flooring, or for practice in a carpeted bedroom. It also comes with a convenient handle to enable easy transportation.

Introducing  
Harlequin Floors'  
brand new  
Practice Mat!

**Harlequin's Practice Mat** has been designed to give dancers the chance to practise their dance moves on Harlequin Cascade, the floor of choice for:

The Royal Ballet, New York City Ballet, The Bolshoi Ballet, English National Ballet, Riverdance, Sydney Dance Company, Royal Academy of Dance, Scottish Ballet, Glyndebourne Opera House, Sadler's Wells, Hong Kong Ballet, American Ballet Theatre, Trinity Laban Conservatoire and many more.

This 1m x 1m area of Harlequin Cascade can be laid down to protect existing flooring and is the perfect size to practise those variations at home.

# Harlequin Professional Home Studio Kits

Our Professional Home Studio Kits have been designed exclusively with a dancer's safety and comfort in mind.

It is well known that home practice improves technique and builds confidence, whilst training on the correct floor drastically cuts the risk of injury. Harlequin is the correct floor!

All kits include **Harlequin Liberty®** sprung floor panels, which effortlessly lock together and provide scientifically proven protection against injury.

Our kits also come with a **Harlequin Cascade** or **Harlequin Reversible** vinyl to meet your specific dance needs and are available in sizes 2m x 1m, 2m x 2m and 2m x 3m, offering you the ultimate platform on which to perfect your dance repertoire.

# Harlequin Professional Freestanding Ballet Barres

We also supply a range of ballet barres; they are almost a prerequisite for any dancer. Without a comfortable and sturdy barre it is hard to do the essential warm-up and stretching exercises. Both amateurs and professionals can minimise the risk of injury by stretching properly to increase blood-flow to the muscles and improve flexibility whilst achieving an elegant stance.

## Freestanding ballet barre specification

- Beech or aluminium barre versions
- Available in small, medium and large sizes
- Height from floor to top of lower barre - 82cm (32.3")
- Height from floor to upper barre - 105cm (41.3")
- Barre diameter - 4cm (1.6")
- Total foot depth - 73cm (28.7")
- Adjustable feet for stability on an uneven floor
- Can be set-up in various configurations using extra components i.e. continuous line, L shape etc.
- Wooden freestanding ballet barres come in an uncoated, natural sanded finish
